Re: Change Authorization No. CS4-00169CTCL@3

Dear Mr. Johnson:

Ecology has received your extension request for the above-referenced Change Authorization. According to our records, it appears that the project was to Begin Construction by December 31, 2007. According to the project's progress, I believe the "Change" has already begun and you are now in the Completion of Construction stage. To that end, I have enclosed a *Beginning of Construction* form for you to populate and return to Ecology within thirty (30) days from the date of this letter.

In response to your request, you are hereby granted an extension to **complete construction** for the reason(s) below:

- Progress has been made on an annual basis.
- Good faith is being shown in the completion of the project.

The new deadline to submit your *Construction Notice* is **December 31, 2016**.

#### **YOUR RIGHT TO APPEAL**

You have a right to appeal this decision to the Pollution Control Hearings Board (PCHB) within 30 days of the date of receipt of this decision. The appeal process is governed by Chapter 43.21B RCW and Chapter 371-08 WAC. "Date of receipt" is defined in RCW 43.21B.001(2).

To appeal you must do the following within 30 days of the date of receipt of this decision:

- File your appeal and a copy of this decision with the PCHB (see addresses below). Filing means actual receipt by the PCHB during regular business hours.
- Serve a copy of your appeal and this decision on Ecology in paper form - by mail or in person. (See addresses below.) E-mail is not accepted.

You must also comply with other applicable requirements in Chapter 43.21B RCW and Chapter 371-08 WAC.
